…. Respondents

THE HON'BLE SRI JUSTICE R.SUBHASH REDDY

WRIT PETITION NO.13958 OF 2005.

ORDER:

This writ petition is filed seeking a mandamus to declare the action of respondents in harassing the petitioners by visiting their houses and calling them to the Police Station without registering any case against them, as illegal and arbitrary.

It is the case of the petitioners that there were some complaints against the second son of the first petitioner. Though no case is registered against them, the respondents are interfering with the petitioners' day-to-day affairs.

In the counter-affidavit filed on behalf of the respondents, the respondents denied any such visit to the petitioner's house and interfering with them, as alleged. Further, it is stated that they neither registered any case against the petitioners nor the second son of the first petitioner.

In view of the fact that the respondents are not interfering with the petitioners in any manner, I dispose of the writ petition placing the stand taken by the respondents
in the counter-affidavit on record. However, it is made clear that if there is any such interference by the respondents, contrary to the counter-affidavit, it is open to the petitioners to approach this Court. No costs.
